DC1 = ex stock

DC3 = delivery within 15 working days ex works without surcharge on laminate price

DC4 = delivery within 20 working days ex works with 25% surcharge on laminate price

DC5 = proEnergyTec profiles, price conditions as colour delivery class, delivery within 30 working days

DC6 = colours other than the profine colours on request

BiColor = DC4

geometry and colours available as standard

The base element colour is treated analogously to the "colour programme" for laminates on both sides according to inner colour.

Inside-laminated = DC4

geometry and colours available as standard.

Base element colours laminated on the inside only: White or Cream (system-dependent). Black brown or Olive brown when aluminium covers used on outside.

Please note: Inside-laminated profiles on Black brown and Olive brown base element may be used only WITH aluminium covers!

Base element colour laminated both sides: see colour programme
Base element colour laminated on the outside only: White and Cream (system-dependent). Different base element colour in DC3 and DC4

  = single-sided laminate

  = laminate on both sides

*** Profiles are delivered with white protection foil without imprint.**
